Open Enrollment

Enrollment is officially open for the 2019-2020 school year! I have forms available if you would like to get a head start to secure your spot for next year! Spots will be available on a first come first serve basis. If you would like to register before the school year is over, the registration fee will be reduced to \$25. Please see me for enrollment packets.

We will also be having a fundraiser in April. We will be selling pepperoni rolls from That's a Wrap in Boardman. Information will come home about the fundraiser closer to the date.

As we quickly approach the end of the school year many activities will be planned and information will be sent home. We have an Easter party, end of year conferences, Spring break and a field trip planned. Don't forget graduation! If you have any questions or concerns about upcoming events please do not hesitate to contact me.

- If you know someone looking for a preschool for their child this Fall, please send them our way! We will offer a free day of preschool to that child and their family.
