Happy New Year!

Welcome to 2020! We have reached the mid point of our school year already. The children are progressing rapidly in their learning and development. As we come back to school after break, we are beginning to buckle down on the skills once again.

Please continue to practice preschool skills with your child at home. If you need suggestions for learning activities to do with your child at home, please feel free to ask their teacher. For those children moving on to kindergarten next year, you may consider wanting to send your child to school 4 or 5 days now. This helps tremendously with the transition to an all day program in Kindergarten. If this interests you, please see me and we can discuss it.

One of the best activities to encourage literacy at home is to read aloud to your child. Twenty minutes daily will go a long way to helping children understand that print has meaning, to use a varied vocabulary, to comprehend stories, use picture cues, and much more.

Wishing you and your family health and happiness in the new year!

Reminders...

- Like us on Facebook for weather updates, pictures, and more!
- If Salem schools are delayed due to weather, we will have a 1 hour delay. School will begin at 10am and dismiss at 12:30pm. Watch our Facebook page and the Remind app for weather updates.
- We are in need of Lysol wipes, disinfectant spray and 5oz Dixie cups! If you can donate any of these items we are so appreciative!
